

Minsmere Levels Stakeholders Group

Response to SZC Stage 3 Consultation

Today we hand delivered our Stage 3 Consultation Response to EDF at the Sizewell C Leiston office.

We were joined by;

- Theberton and Eastbridge Parish Council
- Theberton and Eastbridge Action Group on Sizewell
- Sizewell Parishes Liaison Group
- Middleton Parish Council
- B1122 Action Group

who all submitted their own responses at the same time.

EDF's SZC Leiston office will accept all hand delivered responses until they close and any that are posted through their letter box to be picked up first thing tomorrow morning. Of course e-mails will be accepted into the consultation until midnight tonight as well as any responses that use their on-line response tools.

Both the RSPB #LoveMinsmere and TEAGS action pages <https://teags.org/action/> will also be available until midnight tonight, so please do ensure you respond and copy Suffolk Coastal District Council, Suffolk County Council, Planning Inspectorate and Therese Coffey MP.

Our own response can be found on the MLSG website at [MLSG Stage 3 Response](#)

Thanks for all your support and best of luck with your responses

The SZC videos are still on line as given below;
